

Mainsheet special

2 June 2016

Hi all, hope you are keeping warm.

We have had to close the small deck beside the kitchen.

An engineer inspected it on Tuesday and this small deck is unsafe to use until piles are replaced and the sub-floor repaired.

Repair options and costings are being investigated. Making this deck safe again will be a priority for the Club during our scheduled July maintenance closure, if it is not fully repaired before then.

Structurally this deck is separate from the rest of the club house and jetty.

[The club house itself and the jetty and pontoon remain safe to use.](#)

And don't forget our jackpot draw on Friday evening. The pot is now \$100. Draw sometime between 6 30 and 7 30, and you need to be there to win. (The last three names drawn but who not there were: 13 May Brian Elliott, 20 May Charles Hollings, 27 May Wolfgang Losacker)

The side deck that is closed can be seen in this photograph, to the right of the kitchen.
